

**ZETA**

Driven by instinct

# ZETA

*"Exact Time of Arrival"*

*"Driven by Instinct"*

ZETA, originated from the letter Z derived from the iconic Datsun Z Series while ETA stands for the automotive term "Exact Time of Arrival". Driven by instinct toward your goal and destination, take control and strive to achieve it.

# ZETA

ZETA chair is born as a symbol of tribute to Datsun Z, bringing the performance, comfort, and aesthetic value that all decision-makers seek. As the Iconic Datsun Z Series inspired our designer, ZETA was designed and engineered to embrace the balance between performance and affordability.

Sit in one, feel the support; allow the comfort to motivate the mind in auto-mode and driven by instinct toward being a winner of a competitive race. Let ZETA be your companion to cruise to greater heights in business or career.

INTRODUCTION

## MINIMALIST

ZETA's geometry and lines are designed with a purpose in mind, its ultra-thin edges showcase its craftsmanship and precision. Giving it a modern yet minimalist look to match your working environment.

## COMFORT

Armrest with three-dimensional adjustability and large chamfered contour design, multi-function mechanism, breathable mesh, adjustable headrest and lumbar support. Zeta ergonomic design gives users ultimate support and comfort needed for long hours of seating.

## FEATURES AND FUNCTIONS

### 1 SYNCHRONIZED MULTI-LOCKING MECHANISM

Automatically coordinates your seat, back movement, and locking your ideal position in three different angles to suit your posture.

K-Mechanism

T-Mechanism

K-Mechanism

Y-Mechanism

### SYNCHRONIZED MONO-LOCKING MECHANISM

Automatically coordinates your seat, back movement, and allows the backrest to be locked and prevent it from reclining or vice versa.

Y-Mechanism

### 3 SEAT DEPTH ADJUSTMENT

ZETA adjustable seat depth allows the seat pan to slide in order to accommodate different leg lengths for greater comfort.

K-Mechanism

### 2 SEAT HEIGHT ADJUSTMENT

Adjust the seat height so that your feet are always resting on the floor to minimize the pressure on the back of your thighs.

**4 ADJUSTABLE HEADREST**

Optional add on headrest made from TPE which has good thermal and recyclable properties. With height adjustable feature allows greater flexibility to adjust your posture for utmost comfort.

**5 SUPPORTIVE BACKREST**

Mesh designed backrest is breathable and ergonomically designed to fit your body to support agile work throughout the day, meanwhile enabling quick adaptation of short comfort resting that one needs now and then.

**6 ADJUSTABLE LUMBAR SUPPORT**

Optional add-on distinctive lumbar support made from TPE which has good thermal and recyclable properties, allows you to adjust it in various heights and keep your spine in the correct position.

**7 BASE**

ZETA comes in nylon or aluminium base with sturdy 60mm dual-wheel castor providing smooth gliding on floor and carpet.

**8 3 DIMENSIONAL ADJUSTABLE ARMREST**

ZETA add-on adjustable armrest comes with a signature three independent adjustments and designed ergonomically with slight curve to allow your hands to rest comfortably.
